45. **Jeffrey Watts**
3hrs 45 min
(Charcoal)

Drawing from the Model

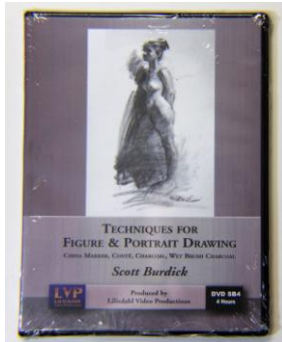

Drawing is the foundation of all good representational art and one can never learn or practice it enough. The problem for most fledgling artists is where to go to find the type of instruction that provides the foundation for classical painting techniques. Jeff Watts is a leading instructor in drawing the head, body and anatomical forms that every artist must master to become a master painter. (Modern Masters on DVD)
